2. Approval of Resolution No. 2026-02, a Resolution adopting the Master Concept Plan for Old Town genda Item No. 2 -

As a result of a week-long planning effort with Toole Design, renderings demonstrating a concept for the Downtown Master Plan are available. Over 400 interactions with residents, business owners, and potential investors culminated in these overarching concepts for the future of Old Town. Adoption of this Resolution by the Council formally recognizes that the intent of the Council is to move the rendered concepts forward to determine feasibility and cost. Toole Design will be hired for engineering services necessary to make the determination. Concepts that are feasible and affordable will be prioritized by Council and funding will be sought by staff for construction.

**I. Executive Session (if necessary)**

**II. Call to Order**

Mayor Crist called the meeting to order at 6:29 PM.

**III. Roll Call**

**IV. Announcements**

**V. Audit Presentation**

The City's June 30, 2025, audit was presented, revealing a clean opinion and healthy fund balance, with at least seven months of liquidity. The city also received a clean single audit.

**VI. Approval of Minutes**

January 12, 2026, City Council Draft Minutes

## **IX. Public Hearing**

### **1. Public Hearing Item No. 1 -Approval of Ordinance 2026-668, an Ordinance amending the text of Article 6, Sec. 602– Use Table and Article 8, Sec. 818- Off-street loading required**

Planning Director Reid Turner explained a proposed amendment to Article 8, Section 818. The amendment would revise the text to prohibit on-street loading on Railroad Avenue and Main Street within the Old Town Overlay District. The amended text will read "This section shall not apply to uses permitted in the Old Town Overlay District, except that on-street loading shall be prohibited on Railroad Avenue and Main Street within saiddistrict."

Reid also explained that the text amendment includes a proposed change to Article 6, Section 602, Use Table, to establish a policy for a new type of commercial accessory use: a commercial drone hub. Reid explained the staff recommendations: A property owner seeking to add a commercial drone hub to a commercial property must obtain a special use permit from the Mayor and Council with the following conditions (1) permitted only as an accessory use; (2) the placement and appearance of facilities associated with the hub shall be approved via the SUP process; (3) the hub shall be served by permanent utilities or screened generators; and (4) the accessory use shall only operate during the hours of 10 am to 5 pm. Reid shared that the Planning Commission amended staff's recommendation by eliminating the option for hubs to be served by generators and added a condition requiring a 50' buffer with any residential use or residentially zoned parcel.

The Mayor and Council generally accepted the recommendation of staff and the Planning Commission to allow commercial drone hubs only as an accessory use to an existing commercial business. However, there was much discussion over the associated conditions. Four categories of conditions were discussed: (1) placing a limitation on the size of parcels permitted to apply for an SUP for a commercial drone hub; (2) limiting the operating hours of the hub; (3) establishing a sunset provision on the SUP; and (4) aesthetic regulations associated with the hub. Mayor Crist moderated a discussion about each category with the majority of Council members supporting no parcel size limitation, no universal sunset provision, and extended hours of operation of 7 am - 10 pm. Council member van Maanen advocated for a minimum parcel size of 25 acres, a sunset provision requiring reapplication for the SUP after 2 years, and operating hours of 10 am - 5 pm.

## **X. Consent Agenda**

## **XI. Agenda**

### **1. Agenda Item No. 1 -Approval of Ordinance No. 2026-666, an Ordinance amending Lilburn City Code, Chapter 54, Solid Waste, Article II, Collection and Disposal**

City Manager Jenny Simpkins explained a change is required to remove the outdated requirement for residents to store their trash bins in enclosed structures. The updated policy requires trash bins to be stored in the side or rear yard.

### **1. Agenda Item No. 2 - Resolution imposing a 90-day moratorium barring the acceptance of applications for new buildings on commercially zoned parcels within the US29 overlay district**

Planning Director Reid Turner explained staff needs time to evaluate the uses allowed in the CB zoning district within the US29 Overlay. The 90-day moratorium will provide time needed for staff review and two public hearings that will be required if the zoning ordinance is updated.

Motion to move to Executive Session for discussion of Litigation and Real Estate made by Councilmember Powella, seconded by Councilmember Batterton at 7:32 PM. Motion passed 4-0.

Mayor Crist asked for a motion to come out of Executive Session. Councilmember Batterton made the motion to come out of Executive Session at 7:55 PM, seconded by Councilmember Powella.

**XII. Adjournment**

Mayor Crist adjourned the meeting at 7:56 PM.

Approved this \_\_\_\_\_ day of \_\_\_\_\_, 2026.

<b>Work Session/Reg. Mtg. Date Requested:</b>	March 9, 2026	<b>Presenter:</b>	Reid Turner, Planning Director
<b>Agenda Title:</b>	<b>Approval of Resolution No. 2026-02, a Resolution adopting the Master Concept Plan for Old Town</b>		
<b>Audio/Visual Requirements:</b>	Yes/No/NA		

**Agenda Item Description (Background/History/Details):**

As a result of a week-long planning effort with Toole Design, renderings demonstrating a concept for the Downtown Master Plan are available. Over 400 interactions with residents, business owners, and potential investors culminated in these overarching concepts for the future of Old Town. Adoption of this Resolution by the Council formally recognizes that the intent of the Council is to move the rendered concepts forward to determine feasibility and cost. Toole Design will be hired for engineering services necessary to make the determination. Concepts that are feasible and affordable will be prioritized by Council and funding will be sought by staff for construction.

City of Lilburn  
Lilburn, Georgia

Resolution  
#2026-02

STATE OF GEORGIA

COUNTY OF GWINNETT

**A RESOLUTION TO ADOPT THE CITY OF LILBURN  
DOWNTOWN MASTER CONCEPT PLAN**

Date of Reading and Adoption: March 9, 2026  
At the regular meeting of the Lilburn City Council

**WHEREAS:** the Mayor and City Council of the City of Lilburn recognize the importance of a vibrant, connected, and economically strong downtown as the heart of the community; and

**WHEREAS:** the city has undertaken a comprehensive planning process to develop a Downtown Master Concept Plan that reflects the community's vision for land use, transportation, public spaces, economic development, and quality of life within the downtown area; and

**WHEREAS:** this planning process has included analysis of existing conditions, identification of opportunities and challenges, and the development of a long-term framework to guide public and private investment in downtown Lilburn; and

**WHEREAS:** the city has provided opportunities for public input through meetings, stakeholder discussions, and other outreach efforts to ensure that the Downtown Master Concept Plan reflects the priorities and aspirations of residents, businesses, and community partners; and

**WHEREAS:** the Downtown Master Concept Plan is intended to serve as a guiding document for future policy decisions, capital projects, zoning and development regulations, and redevelopment efforts within the downtown area; and

**WHEREAS:** the Mayor and City Council find that adoption of the Downtown Master Concept Plan is in the best interest of the health, safety, and welfare, and will further the long-term economic, social, and physical well-being of the City of Lilburn and its citizens.

**NOW, THEREFORE, BE IT RESOLVED** by the Mayor and City Council of the City of Lilburn, Georgia, sitting in regular session on March 9, 2026, as follows:

1. The document entitled "City of Lilburn Downtown Master Concept Plan" attached as Exhibit A together with all maps, exhibits, and appendices thereto is hereby adopted as the official downtown master concept plan for the City of Lilburn.

2. City staff are directed to use the Downtown Master Concept Plan as a guiding document in reviewing development proposals, preparing capital improvement programs, pursuing grants and partnerships, and recommending updates to the City's comprehensive plan, zoning ordinance, development regulations, and related policies affecting downtown.
3. Nothing in this Resolution shall be construed to supersede any existing ordinance or regulation; however, the Downtown Master Concept Plan shall be used to inform and guide future amendments to such ordinances and regulations as may be deemed appropriate by the Mayor and City Council.
4. City staff are further authorized and directed to share and promote the Downtown Master Concept Plan with community stakeholders, partner agencies, and the general public, and to periodically report to the Mayor and City Council on progress toward implementation.

**BE IT FURTHER RESOLVED** that this Resolution shall become effective immediately upon its adoption.

**SO RESOLVED** this 9<sup>th</sup> day of March, 2026.

**APPROVED:**

---

Johnny Crist, Mayor
