

Show Cause Hearing Meeting Minutes – 8/14/2019

Present: Doug Stacks, Director of Planning & Economic Development  
Melissa Penate, City Clerk  
Rebecca Baumann, Licensing & Revenue Manager  
Jamie Talbot, Applicant

Mr. Stacks called the hearing to order at 10:09 a.m. The hearing is for Jamie Talbot's appeal to the denial for an Alcohol Server Permit.

Ms. Talbot has been working at RSSS, LLC/Haven Restaurant and Lounge since June of 2018. Ms. Talbot stated that this is her only revenue source. She has 4 children and 2 grandchildren that depend on her income. She is currently taking care of probation and other charges.

Mr. Stacks asked Ms. Talbot what happened in Rockdale. She states that she received a DUI and her license was taken, but she didn't read through the paperwork that was given to her. The charges were filed in Rockdale Co. because that is where the DDS office is located.

Mr. Stacks asked Ms. Talbot to explain the January 2019 charges on her record. Ms. Talbot states that a group of men attacked her pregnant daughter in front of their home. She pointed a gun at them at that time. The case was dismissed and Ms. Talbot provided court documents stating so.

Ms. Talbot asked that the denial be reconsidered based on the grounds on what she stated.

Mr. Stacks told Ms. Talbot that a decision will be made and that a formal letter will be sent to her by Ms. Baumann.

Doug Stacks called to close the meeting at 10:17 a.m.
