1. PH Item 1 - Text Amendments To Lilburn Zoning Ordinance Of 2011

City Planner, Joellen Wilson:

Text amendments to the Lilburn Zoning Ordinance of 2011 are proposed to add or delete text, clarify or remove redundant language, provide consistency between codes, and add or amend sections in response to recommendations of staff and Planning Commission Hearing (Aug. 22, 2019). Amendments to Articles 4, 5, 6, 7, 8 and 11 are proposed. Public notice was provided and no opposition was recorded.

Mayor Crist opened the floor for those against the adoption of Ordinance 2019-542.

Zack Kittle - 98 First Avenue - Mr. Kittle has an issue with the percentage requirements for the houses with a bedroom on the first floor. He is worried that this will raise the square footage of new attached homes and it would be difficult to build and sell. Mr. Kittle suggested an elevator being an alternative to adding a bedroom on the main floor.

Mayor Crist opened the floor for those in-favor. Hearing none, Mayor Crist closed the public hearing.

A motion to adopt Ordinance #2019-542 to approve the Zoning Ordinance Text Amendments as proposed was made by Council member Price, seconded by Council member Dunn.

Council discussed the comments made by Mr. Kittle. Council member Dunn mentioned that in work session an elevator option was discussed as an alternative and he did not see a problem with that. Council member Batterton would want the lift to be big enough for wheelchair access.

Mayor Crist asked the council if they would like to amend the proposed ordinance to exclude the bedroom on the main floor and add a handicap accessible lift. Council member Price suggested a moratorium on new townhome developments until the council does more research.

City Attorney, Dick Carothers, recommends to adopt the ordinance as proposed today, then after some research, future text amendments can be submitted.

Motion passed with a 4-0 vote.
