RE: RECOMMENDATION OF 2020 LMIG RESURFACING WORK (BID #COL/LMIG – 6.23.2020)
TO BLOUNT CONSTRUCTION COMPANY

The City opened bids on Tuesday, June 23 for the REPAIR AND RESURFACING OF VARIOUS CITY STREETS to be done as 2020 LMIG work. Of the 7 bids received, BLOUNT CONSTRUCTION COMPANY was the Low Bidder (see attached spreadsheet of the bids received).

Blount Construction has performed similar work for many local governments in the Atlanta area and the references I checked were satisfactory. Based on their experience and low submitted bid, I recommend that BID #COL/LMIG – 6.23.2020 be awarded to low bidder BLOUNT CONSTRUCTION COMPANY for the bid unit price amount of \$145,763.54.

Please let me know if you have any questions. Thank you.
