City of Lilburn Administrative Policies & Procedures Section 9 - Private Events on City Property

Policy Statement

The City of Lilburn does not allow private (for profit or nonprofit) entities to reserve or rent city property. City property including the Lilburn City Park, the bandshell, the open-air pavilion, the splash pad, and the Camp Creek Greenway are public amenities that are available to the general public at all times. There are a few exceptions to this rule outlined below.

1. Gartrell Nash Pavilion: due to the secluded location of the Gartrell Nash Pavilion, this facility is available for rental.
2. Co-Sponsored Events: each year, the city partners with for profit and/or nonprofit organizations to hold co-sponsored events on city property. Applications for co-sponsored events are due by February 1st each year.
3. 5K Walk/Run Events: the city has a designated, certified 5k route on the greenway trail that may be reserved for 5K Walk/Run events. 5K organizers must submit applications for review and approval by the city.

Renting the Gartrell Nash Pavilion

The Business Services Department manages the rentals of the Gartrell Nash Pavilion. To make a reservation, please call 770.921.2210. A refundable deposit of \$100 is due at the time of reservation. Reservations are available on a first come, first serve basis, and rental fees are established annually by city council.

Co-Sponsored Events

The City of Lilburn is committed to supporting quality special events that proudly recognize our city, promote a sense of pride, and reinforce our slogan "Small town. Big Difference." The City seeks to participate in events that provide a benefit to the larger community, create exposure to

the community’s many attributes, and fit within the capabilities of the area(s) being used. Due to the many event requests and limited city resources, the City Manager determines which events the city will co-sponsor each fiscal year. Requests for co-sponsorship must be submitted to the City of Lilburn Event Coordinator in person no later than February 1 of the previous fiscal year for budgetary and planning purposes. The City of Lilburn’s fiscal year begins on July 1 and ends on June 30.

The cost of a co-sponsored event is shared by the city and the applicant. Any revenues from a co-sponsored event are shared by the city and the applicant.

Applications for co-sponsored events will be evaluated based on the following criteria:

- Completeness of application, event layout, and event plan.
- Impact and cost of the event on City support resources.
- Frequency of the same or similar events as well as potential conflicts with previously approved events.
- Impact on the surrounding businesses and residents.
- Ability for the city property (park, pavilion, etc.) to remain open to users.
- Perceived benefit of the event for the city of Lilburn’s citizens and/or businesses.
- Likelihood of participation by City of Lilburn’s citizens and/or businesses.
- Previous history of event organizer in facilitating special events.
- Ability of event organizer to achieve goals set forth for special events.

All complete applications received by February 1st will be reviewed based on the evaluation criteria. Applicants will be notified by March 30th if their proposal has been accepted by the city for co-sponsorship during the next fiscal year. Any appeals of decisions made by the City Manager must be submitted in writing to the Mayor and City Council within 15 days of denial.
