8. Any requirements by DOT shall not infringe on proposed landscape strip or screening requirements of condition #3. Plantings are to be located along front of the property line outside of ROW.

Chairman Wilkerson asks if applicant is present.

Applicants' representative, Miles Hansford and Tallant Law Firm, speaks on behalf of applicant and proceeds with PowerPoint presentation. Explains zoning and parcel history and details and how applicant's plans conform with comprehensive plan. Looking to enlarge the business, doing a boom business and employ many employees within the city and plan to create even more jobs. They are looking to modify hours of operation to allow Saturday repairs. They are in agreement with the staff's condition of hours of operation for repair shop. Landscape plan shows existing and new trees, there is currently a fence along the rear to screen from residential uses. They have submitted landscaping plan to staff and are happy to work with planning staff. The conditions they asked for is to change the site plan to the new site plan designed by Dovetail Design and to move the landscape strip from the middle of the property up to the right of way to be able to park within it and still have a screen to the highway. They have also asked to be able to do repair work on Saturdays. Applicant is in agreement with the staff's recommendations and believes they are reasonable and is willing to work towards them.

Stephenson asks question to planner Turner about Landscaping, asking about one tree on site for every six vehicles. Asks if it will apply to the entire site.

Turner explains that that is reference to Article 5, Section 109-157 Off Street surface parking lot and planting requirements. It will apply to the new site.

Applicant ensures that they will not see in from the screen.

Chairman Wilkerson asked for public comment for or against the rezoning request. Hearing none, he asked for a motion.

Motion to approve CIC-2022-02 with conditions was made by Board Member Bollinger, seconded by Board Member Hampton.

Motion passed with a 3-0 vote.

Motion to approve the conditions (combining conditions of both SUP cases) as recommended by the staff made by Board Members Bollinger, seconded by Board Member Hampton.

Motion passed with a 3-0 vote.

3. RZ-2022-01 & SUP-2022-01

2. RZ-2022-01 and SUP-2022-01 Application by Traton LLC c/o Alliance Engineering and Planning to rezone 5454, 5444, 5434, 5424, 5414 Lawrenceville Hwy, Lilburn, GA 30047 also recorded as District 6, Land Lot 145, Parcels 008, 009, 010, 011, 012, and 013. Applicant is requesting to rezone these parcels from CB Commercial Business to R-2 Medium Density Residential. Applicant is concurrently requesting Special Use Permit to allow for the redevelopment of the lots for use as 72-Unit Single-Family attached townhomes in R-2 Medium Density Residential zoning. The lots are comprised of 9.25 acres and are all within the US29 Overlay

Planner Turner explains applicant requested this to be tabled.

Wilkerson asks applicant if he would like to speak.

Tyler Lasser with Alliance engineering, as representative of Traton Homes, requests to table RZ and SUP cases to have more time to get into consistency with staff recommendation and analysis and create a commercial component. Lasser explains they will need some time to get plans and application ready.

Chairman Wilkerson asks for public comments. There being none, Chairman Wilkerson closed the public hearing and asked for a motion.

Motion to table RZ-2022-01 & SUP-2022-01 to the next meeting was made by Board Member Bollinger, seconded by Board Member Hampton.
