RE: RECOMMENDATION OF 2018 LMIG RESURFACING WORK (BID #COL/LMIG – 7.23.2018)
TO DICKERSON GROUP

The City opened bids on Monday, July 23 for the REPAIR AND RESURFACING OF WEBB PARKWAY AND RIPPLE WATER RUN to be done as 2018 LMIG work. Of the 3 bids received, DICKERSON GROUP was the Low Bidder (see attached spreadsheet of the bids received).

Dickerson Group has performed work both for the City and for Gwinnett County within city limits and the quality of their work and their responsiveness has always been found to be satisfactory. Based on this past experience and their low submitted bid, I recommend that BID #COL/LMIG – 7.23.2018 be awarded to low bidder DICKERSON GROUP for the bid unit price amount of \$169,919.00.

Please let me know if you have any questions. Thank you.

Kim Conroy, SPLOST Project Manager
