

CITY OF LILBURN GENERAL POLICY
As Approved by City Council on February 11, 2008

CITY OF LILBURN

Number: 0017-08

PUBLIC WORKS

TREE & LIMB CHIPPING POLICY
STREET DEPARTMENT

The City of Lilburn offers this Landscape Service to assist our constituents in the removal of Yard Waste as it pertains to Trees and Shrubs. Our customers will need to call 770-638-2196 and leave their name, address, and phone number. The Customer's Yard Debris will be picked up in the order received.

SCOPE OF WORK: Consists of the Chipping of small Trees, Limbs, and Shrubbery.

ATTENTION: The purpose of this service is to provide Homeowners with the ability to clean up their yards. It is not intended to follow-up Tree Services or Private Contractors.

SAFETY CONCERNS: Trees located within the right-of-ways that are causing a safety risk to the Public will be removed by the City of Lilburn.

Pick Up Requirements

- Logs, Limbs, or shrubbery will need to be placed at a minimum of **4 ft** from the curb side. Do not obstruct Street Traffic and or Storm Drains. Please place Trunk End of limbs toward the street.
- Trees no larger than **10 inches** in diameter. Please do not leave logs any longer than 24 inches.
- Please leave limbs at a manageable length. Our rule is if you can drag it to the street, we can chip it. The longer limbs assist in shorting the amount of time we spend at your location.

The City will NOT pick up

- Large Parcels of Land that have been cleared will require the Homeowner to have a special Pickup or Container available for filling. The City will not assist in the clear cutting of Land.
- Building Materials (Lumber, Sheet Rock, Metal), Tires, Pallets, Fence Materials. These items require you to contact your Sanitation Company for a special pickup.
- Bamboo, Dirt encrusted Stumps (Tree or Shrubbery). Bamboo will not shred in our limb chipper. Stumps that contain dirt will damage our chipper. A special pickup will need to be called into the Sanitation Company.
- Grass, Straw, Leaves: These items will need to be placed in **Paper Bags**. The Sanitation Company will pick up these items if they are packaged in the proper container.

SPECIAL PICKUP: Homeowners needing special pickup will need to contact Advanced Disposal.
