Commute Clean! Adopt-a-Road Today!

Your commute to work may be long, but it doesn't have to be dirty. If you notice an abundance of litter on your commute, it may be time to Adopt-a-Road! The Adopt-a-Road program gives support to residents to host four cleanup events per year to keep your road litter free. Your cleanups also keep our water safe by preventing trash from entering the stormwater drainage system.

If you're tired of litter and want to make a difference in the Lilburn community, Adopt-a-Road today. Get started by visiting Gwinnett Clean & Beautiful at www.gwinnettcg.org and click on "Programs."
